

Schedule of Fees

This document outlines the fees and charges for psychological services and other related services. It constitutes our costs agreement and disclosure pursuant to our obligations. This schedule is based on the national schedule by the Australian Psychological Society (APS). Prices do not include GST. **The fees outlined in this schedule are valid from 30th October 2023, until further notice.**

Please become familiar with this document as all services delivered by us are charged accordingly. You should read this document in full. Please pay special attention to the following:

1. Our cancellation and/or re-scheduling policy is strictly observed.
A cancellation/reschedule fee will apply **without more than 48 business hours notice**.
2. Reports or any written documentation are not included in the cost of a standard consultation and are charged separately.
3. A minimum fee equivalent to 30 minutes of any service applies to all requests.
4. Telephone or Zoom consultations require upfront payment upon booking.

FEE SCHEDULE

Medicare rebates are available under certain circumstances. With a valid Mental Health Treatment Plan, families are eligible for up to 10 rebated sessions per year with a Medicare accredited clinician. Two of these sessions can be used as a parent/carer appointment if necessary. Please see attached information on rebates.

Rebates may also be available if you are a member of a private health fund. Please contact your private health provider for more information. We do not offer HICAPS.

Clinicians will only attend court proceedings if subpoenaed.

All third-party invoices will incur GST.

Fees are described as consultations and are based on the time taken for a clinician to conduct the service provided. A consultation includes, but is not restricted to:

- ☐ Face to face, videoconferencing and phone consultations
- ☐ Speaking with a third party (e.g. teacher or other health professional with your consent)
- ☐ Reviewing past reports or communication outside a consultation time
- ☐ Making referrals to other professionals outside a session (with your consent)
- ☐ Case Meetings (e.g. with schools, with other professionals)
- ☐ Letters and Report writing

An additional fee of \$10 will be incurred for invoices not paid on the day of service.
